# SAFETY GLASSES

Superior Impact Protection • Anti-Fog Scratch Resistant • UV Protection • Non-Slip Fit

# **SAFETY GLASSES**

Klein Tools Safety Glasses offered in three styles—Standard Semi-Frame with narrow lens, PRO Semi-Frame with wide lens, and PRO Full-Frame with wide lens. Choice of clear or gray lens. All models provide superior impact protection, high optical clarity, effective anti-fog coating, scratch resistance for added durability, as well as UV protection to effectively block up to 99.9% harmful UV rays.

- High-grade polycarbonate lenses tested to ANSI, CSA, and military grade (ballistics fragmentation) standards for superior impact protection
- High optical quality lens material ensures distortion-free, uncompromised vision
- Soft grip nose piece and temple tips ensure proper secure fit and prevent slippage
- Sleek, modern light weight designs built for long term comfort

#### Standard Semi-Frame, Narrow Lens

- Narrow lens, sleek wrap around design for low profile fit
- Robust single lens design for added rigidity and uniform optical clarity
- Ultra-lightweight semi-frame for long term comfort

For Professionals
SINCE 1857™

### PRO Semi-Frame, Wide Lens

- Wide lens wrap around design for extra coverage while maintaining low profile fit
- Wide temple stems for additional side protection
- Ultra-lightweight semi-frame design for long term comfort
- Soft carrying pouch included; doubles as a cleaning cloth

PRO Full-Frame, Wide Lens

- Wide lens with full frame wraparound design for extra coverage without compromising peripheral vision
- Rigid full-frame protects lens from edge chips and cracks
- Wide temple stems for additional side protection.
- Soft carrying pouch included; doubles as a cleaning cloth
