

# Zero Smog TL

Product no.: ZEROSMOGTLN

## Benefits

- › Fine dust pre-filter F7 and H13 HEPA filter with exceptionally large 2.4m<sup>2</sup> filter surface for longer service life
- › Variable speed settings to control suction to your specific needs
- › Low noise emission levels for quiet workspace
- › Automated filter change notification system
- › Easily operated and easy filter replacement
- › Compatible with Easy Click 60 system for highest flexibility to fit perfectly to your workplace requirements
- › For connection to a WX / WT station a T0058768767 WT Hub is needed
- › Portable fume extraction unit, for placement under or next to the bench

### Technical Data

|                                  |  |
|----------------------------------|--|
| Dimensions L x W x H (mm)        | 335 x 330 x 445  |
| Dimensions L x W x H (inches)    | 13.976 x 13.110 x 17.913                                 |
| Weight (approx.) in kg           | 9  |
| Voltage                          | 120 V  |
| Power                            | 120 VA ; 110 W   |
| Noise level (distance 1 m) dB(A) | < 50   |
| Max. vacuum                      | ---  |
| Capacity m <sup>3</sup> /h       | 190  |
| Pre-filter                       | F7   |
| Compact filter                   | Particle filter H13 and granular activated carbon filter |
| Max. capacity                    | 1-2 workstations   |
| RS232 interface (remote control) | ---  |
| USB port                         | ---  |
| WX-compatible                    | on   |
