

MT10:12-SWALKS-M5-20

Ruland Swivel Clamp Hinge Kit, Thread M5, L 20mm, Stainless Steel

Description

Ruland MT10:12-SWALKS-M5-20 is a swivel clamp hinge kit with an M5 thread and 20 mm sleeve and stud length. It is designed to join Ruland swivel components that begin with MT10 or MT12 and acts as a hinge point. The user can use standard tools to make positioning adjustments when frequent repositioning is not required. MT10:12-SWALKS-M5-20 allows for movement of the swivel joint when needed in a more compact installation when compared to types with adjustable clamping handles. Components are made from 303 stainless steel for corrosion resistance. MT10:12-SWALKS-M5-20 is manufactured by Otto Ganter, inventoried by Ruland, and RoHS3 compliant.

Product Specifications

| | | | |
|------------------------------|--------------|----------------------------|-----------------------|
| Sleeve & Stud Length L1 | 20 mm | Sleeve Length L2 | 6 mm |
| Sleeve Diameter D1 | 9 mm | Threaded Bushing Height T1 | 5 mm |
| Threaded Bushing Diameter T2 | 9 mm | Guide Bushing Height G1 | 5 mm |
| Guide Bushing Diameter G2 | 8.4 mm | Assembled Height HA | 14 mm |
| Thread (TH) | M5 | Thread Length | 14 mm |
| Thread Pitch | 0.8 mm | Insert and Screw Material | 303 Stainless Steel |
| Weight (lbs) | 0.033100 | Manufacturer | JW Winco/ Otto Ganter |
| UPC | 634529238271 | Country of Origin | Germany |
