

## Model ADP3400SBFSCTM Dipole Omni

## **Key Features**

Monopole and dipole designs Excellent mechanical integrity and electrical performance Ruggedized construction for field durability Custom frequencies available

Spring base and / or Fiberglass radome

Electrical Specifications	ADP3400SBFSCTM
Frequency Range, MHz	3300-3500 MHz
Impedance	50 ohm nominal
VSWR	<2.0:1
Gain	2dBi
Polarization	Vertical

Mechanical Specifications	ADP3400SBFSCTM
Connector Style	TNC Male
Material	Brass, Polyolefin Adhesive Lined
Operation Temp.	-20c to +65c
Storage Temp.	-30c to +75c
