

# Premium Male/Female Raw Jumper Wires – 40 x 6"

PRODUCT ID: 3633

# DESCRIPTION

Our Raw Male/Female Jumper Wires are perfect for making a custom jumper wire sets for wire harnesses or jumpering between headers on PCBs. These premium jumpers are a little over 6", almost 8" (about 200mm) long and come in a 'strip' of 40 (5 pieces of the ten rainbow colors).

The 0.75" raw sockets on either end are designed to be custom fitted with your choice of housing blocks to meet your prototyping needs. You can always pull the ribbon wires off to make individual jumpers, or keep them together to make neatly organized wire harnesses.

We have tons of different Jumper Wires available, in all shapes and sizes!

Note: The length of the jumper wires is sometimes a bit longer than what is listed.

# TECHNICAL DETAILS

Each wire is 28 AWG (7 strands @ 36 AWG)
