

3900B

Trumasure 3900 Fabric and Carpet Measurement

The Trumasure 3900B incorporates the very best features from over 60-years experience in the specialised length measurement sector. These machines incorporate exclusive new components to ensure reliability and continuing accuracy even when operating under the most demanding conditions.

Operates as the material passes between the measuring roller and the spring loaded pressure roller. The machine is activated by the movement of the material. All Trumasure machines incorporate an integral brake to prevent overspin at the end of the piece. The brake is automatically released when a further piece of material is passed between the rollers.

Key Features

- Measures material up to 24mm (0.94in) thick
- Accommodates easily marked and/or abrasive materials (with special wheels)
- Accuracy 0.25%
- Accommodates pile up or no pile materials
- Optional encoder output
- Can be built into manufacturing and finishing processes
- Calibration certification on request at additional cost

Applications

- Manufacturing and processing of textiles, films, plastics and papers
- Fabric inspection
- Cutting to length
- Tracking of material lengths through processing

3900B Specifications

Measuring Thickness Material up to 24mm (0.94in) thick

Measuring Wheel Diameter 0.25m

Material types Wide range of materials including paper, plastics, rubber sheeting, vinyl, wallpaper, textiles and carpets

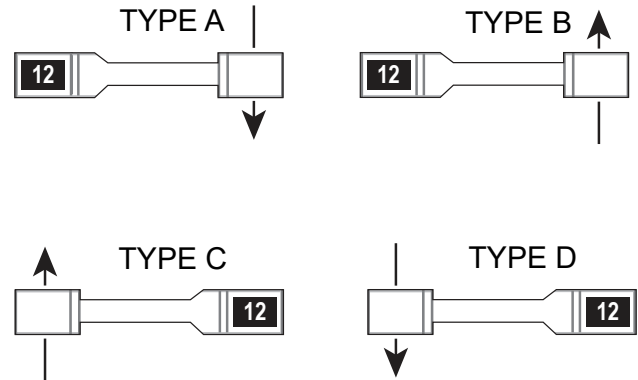

Pile Materials Pile up, pile down, no pile

Weight 8kg (17.6lb)

Packed Dimensions 730 x 220 x 300mm (28.7x8.6x11.8in)

Material Direction Options
 A: towards the operator; counter on left
 B: away from the operator; counter on left
 C: away from the operator; counter on right
 D: towards the operator; counter on right

Ordering Information

- 3900B** Fabric & Carpet Measurer Metres
3900B TYPE A for material travelling towards the operator; counter on his left
3900B TYPE B for material travelling away from the operator; counter on his left
3900B TYPE C for material travelling away from the operator; counter on his right
3900B TYPE D for material travelling towards the operator; counter on his right
- 3905-1B** Fabric & Carpet Measurer 99999'11" Feet & Inches
3905-2B Fabric & Carpet Measurer 99999.7/8 Yards & Eighths
3905-DD250 3905 Fabric & Carpet Measurer with 250PPR Encoder Output (electronic preset counter sold separately)
