

Technical drawing showing a 34-space hole pattern. The pattern consists of two rows of 17 holes each. A dimension line indicates the total length is 86.36 [3.400] (34 SPACES @ 2.54 [100]). A BSC callout is present, indicating a feature with a diameter of $\varnothing 1.02 \pm 0.00$ and a tolerance of $[\varnothing 0.40 \pm .000]$ 70 PLC. The BSC callout also includes a feature control frame: $\varnothing 0.15 [.006] \textcircled{S} X | Y$. The drawing includes a 4x4 grid of holes and a 4x4 grid of holes, with a 4x4 grid of holes in the center. The BSC callout is located at the top left of the drawing.
