

# Mighty Vue Magnifying Lamp **LED** w/Rolling Stand

## Elegant and eco-friendly mobile design

Enhanced lens size and heavy-duty portable floor stand combine to make the Aven MightyVue LED Magnifying Lamp a convenience in beauty salons, medical offices and hobby applications. The large 7x6-inch crystal clear 3-diopter (1.75x) lens is illuminated by 36 high-powered white LEDs and provides 360° distortion-free viewing. The housing is mounted to an internal spring-balanced arm with a 32-inch reach that stays set securely in any position. The weighted base and five swivel casters provide balance and support mobility.

## Features

- Large 7" x 6" 1.75x (3 diopter) lens
- 36 high-powered energy efficient SMD LEDs provide shadow-free illumination
- 32" spring balanced arm stays put in any position
- 5 full swivel castors for easy mobility
- Designed for durability
