**PCTP Series** 

## **Heavy-Duty Flexible Antennas**

The PCTP heavy-duty mobile antennas feature a rugged, flexible design that provides long lasting performance and reliability under very extreme environmental conditions.

## **Features**

- Ground plane independent for reliable performance and added installation flexibility
- Heavy-duty, flexible radome design absorbs shock impact for applications requiring a ruggedized antenna solution
- Wideband coverage: ready to use without added field tuning
- UV-stable polyurethane housing withstands severe installation applications. This
  housing makes the antenna ideal for vehicular installations exposed to extreme
  temperatures and high vibration conditions, including construction trucks,
  agriculture tractors and and mining vehicles

## STANDARD CONFIGURATION

| Model      | Connector       | Mount             |
|------------|-----------------|-------------------|
| PCTP430    | TNC Plug (Male) | Direct mount only |
| PCTP450    | TNC Plug (Male) | Direct mount only |
| PCTP915    | TNC Plug (Male) | Direct mount only |
| PCTP2425   | TNC Plug (Male) | Direct mount only |
| PCTP/4GLTE | TNC Plug (Male) | Direct mount only |
