Accessory

- Hinge pin sets GN 2290 → page 1352

On request

- Other lengths and hole spacings
- Other finishes

Information

GN 2291 hinge wings can be combined with GN 2290 hinge pin sets into individualized hinge versions. Special lengths can be created for a hinge wing length of $l_2 \geq 250$ mm, since the increased mounting hole distance from the end allows shortening the hinge wing.
