

Twin Industries ABS project boxes with custom-fit prototyping boards are sold together under a single part number, eliminating the need to find a generic board and cut or shape the board to fit box dimensions. Screws to close box are included (*no other hardware provided*).

FEATURES:

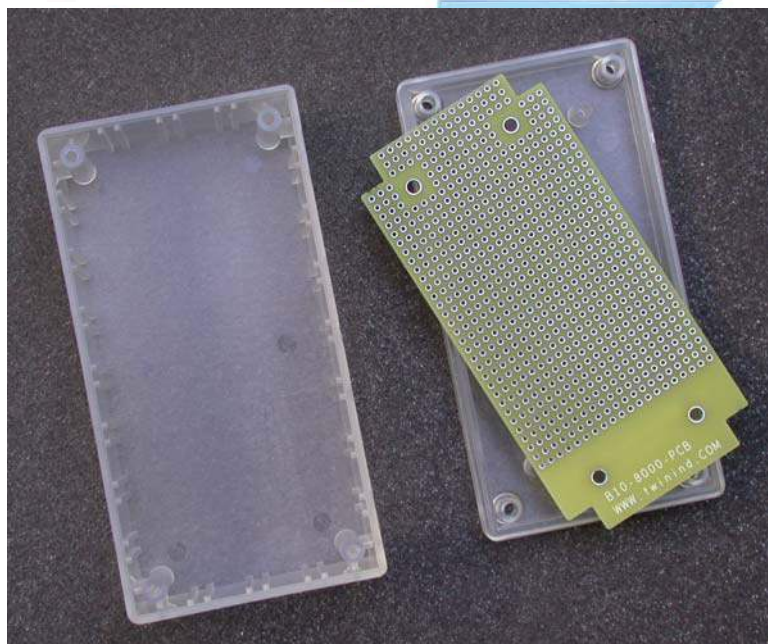

- Protoboards made with FR4 laminate, 0.062" thick
- Prototyping holes spaced on a 0.1" x 0.1" grid
- Clear ABS box - great for LED projects
- Boards may be attached to stand-offs in box
