

Technical Crane Scales PCE-HS 50N

PCE-HS 50N Crane Scale

Digital, battery-operated hanging scale with weight range up to 50 kg / 110 lbs

PCE-HS 50N is an affordable digital hanging scale, crane scale, weighing hook or electronic balance that offers quick, easy and accurate weighing of large objects, animals, fish and game. Simply mount the item to be weighed to the hook or snap hook (both hooks are included). Useful for forklift and industrial applications and as well as recreational fishing and hunting, the PCE-HS 50N digital hanging scale features:

- Weight range up to 50 kg / 110 lbs
- Battery operation (3 x AA 1.5 V batteries provided)
- Auto-off, power-saving function (can be deactivated, if preferred)
- Multiple, full-range tare (useful when adding weighing objects or for the production of mixtures)
- PEAK hold function and measurement conversion to Newton (N) (enables use as a simple force meter)
- Animal weighing function (calculates an average of several values, allowing live animal weighing)

Technical specifications

Maximum allowable load	
PCE-HS 50N	50 kg / 50000 g / 110 lbs
Minimum load (no display)	
PCE-HS 50N	0.20 kg / 200 g / 0.44 lb
Readability (d)	
PCE-HS 50N	0.02 kg / 20 g / 0.04 lb
Tolerance / Accuracy	
PCE-HS 50N	± 0.08 kg / 80 g / 0.17 lb

General information

Tare	Multiple, full-range tare
Display	LCD illuminated
Digit height	19 mm / 0.75 in
Units of measurement	kg / lb / N (Newton)
Power supply	3 x 1.5 V AA batteries (included)
Operating temperature	5 °C ... 35 °C / 41 °F ... 95 °F
Housing	ABS plastic
Weight	Approx. 0.40 kg / 400 g / 0.88 lb

Delivery contents
1 x digital hanging scale
3 x AA 1.5 V batteries
1 x hook
1 x snap hook
1 x user manual
