Shield connecting plate; 5-pole; for sockets

www.wago.com/890-526

Item description

Shield termination *WINSTA*® MINI 5-pole

The shield termination from the *WINSTA*® MINI product line is the best solution for reliable installation. With WAGO, you benefit from a large selection of accessories for the *WINSTA*® product line. If only limited space is available, our smallest pluggable connection system, *WINSTA*® MINI, consistently displays its advantages. It is very compact, and, with Push-in CAGE CLAMP® spring pressure connection technology, it additionally

saves time, since the connection is low-maintenance and can be performed without screw connections.

Push-in CAGE CLAMP® spring pressure connection technology – pluggable installation instead of laborious screw connections!

The WINSTA® Pluggable Connection System allows pluggable electrical installation. This significantly reduces the need for servicing and lowers costs. Take advantage of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with WINSTA® MINI accessories with protection against mismatching from WAGO.

-
- easy tool-free operation, a wide range of coding options
- rapid, structured electrical installation
