

## TECHNICAL DATA SHEET

Part#: 00B-SA-PI

Tweezers - 2 Star Straight Strong Medium Point - Anti-Mag. SS - Finger Serrations

*The 00B-SA-PI tweezer is made of Anti-Magnetic Stainless Steel which has excellent mechanical strength, good surface stability and high resistance to corrosion or oxidation. It features serrated handles for more control.*

- Precision Level                   ★★
- Material                            Anti-Mag. SS (316L)
- Surface Resistivity               Conductive
- Shape                               Straight
- Group                               Conventional Style Tweezers
- Weight (OZ)                       1
- Tip Size (CTM)                   N/A
- Tip Angle                          Straight
- Tip Length
- Body Width                        0.393" (9.83mm)
- Body Height One Leg            .09" (2.25mm)
- OAL                                 4.75" (118.75mm)
- Country of Origin                Italy
- UPC                                 662847001864
- Schedule B                        8203.20.20.00
- Harmonization Code            8203.20.20
- ECCN                                EAR99
- UNSPSC Code                    27112105

C.T.M.  
Critical Tip Measurements  
(Tip Width and Thickness of one point)
