

ISO9001 Declaration Of Conformity

Version 2.0
Revised 01/AUG/2020

DECLARATION

LM Technologies Ltd, of Camrose House, 2A Camrose Avenue, Edgware, London HA8 6EG, United Kingdom declare responsibility that;

All products sold by the company have been produced by a contract manufacturer which have undergone our own vetting procedure, in which we warrant that these companies possess and maintain their production to our own set of standards. Within these standards, all of the contract manufacturers the company uses have and maintain a certificate of conformity to ISO9001 standard.
