The special die-cast alloy and the multi-layered surface sealing provide complete protection for the HDC housings. The cleverly designed interlock system is manufactured from stainless steel. That guarantees a long lifespan with high resistance to corrosion and impact.

The housing interlock system provides integrated safety. Our unique, patented spring system provides the housing interlock with a secure grip and prevents accidental opening. This makes the interlock resistance to vibration and impact.

The laser marking allows for easy and quick identification. Each housing is permanently labelled with a laser marking so that each product can be quickly designated and positioned.

General ordering data

| | |
|------------|--|
| Order No. | 1658680000 |
| Type | HDC-HBD-40-TSVZ1/21P |
| Version | HDC enclosures, Size: , Protection degree: IP 66 |
| GTIN (EAN) | 4008190411725 |
| Qty. | 2 pc(s). |
