

LED EFL-130F-MD

Integrated Outdoor LED Wall Lantern W/ Oil Rubbed Bronze
Aluminum Die Cast & Frosted Glass Lens

Product Description

A step above simple outdoor lighting, the Euri Lighting Flame Bulb Fixture decorates, illuminates and protects. Note-worthy and inventive, the LED-integrated outdoor lantern is designed with dusk to dawn technology, motion sensor detection and an enclosed flame bulb programmed with over 300 LEDs. At sun set, the enclosed flame bulb turns on flicker motion, then when motion is detected, the fixture turns to full brightness. Aside from ensuring safety and security, the decorative lantern offers an aesthetic appeal with frosted glass, oil-rubbed bronze finish, and a swopping S-hook arm.

Estimated Energy Cost: \$1.50 per year
