## INSTRUCTION MANUAL

## Adjustable Micro Tweezers

Ref. AM120-A

# Packing List

The following items should be included:

**Adjustable Micro Tweezers** ..... 1 unit  
Ref. AM120-A

**Manual** ..... 1 unit  
Ref. 0022381

# Features

## Control Unit

## Stand Ref. AM-SA

**C120 Cartridges**  
(Required but not supplied)

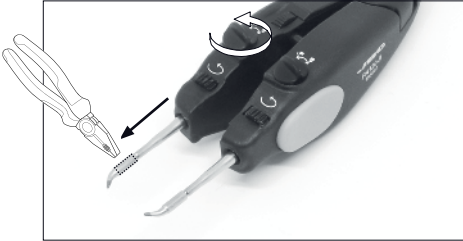

**Adjustable Micro Tweezers**  
Ref. AM120-A

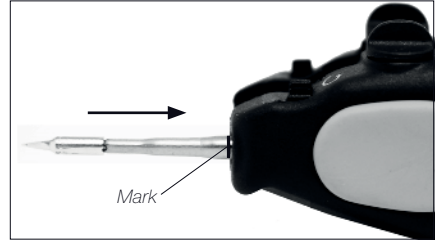

## Changing cartridges

### 1. Removing

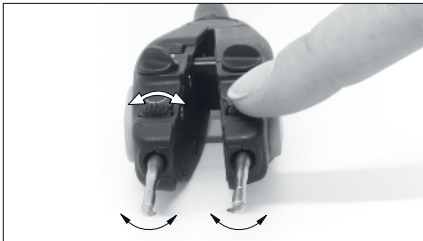

Unlock the fixing knob and remove the cartridges. You can use either a flat pliers (Ref. PLR-195) or the cartridge extractor of the stand (Ref. AM-SA).

### 2. Inserting

Insert the cartridges as far as the mark for a proper connection. Before inserting, make sure the cartridges are clean to ensure the proper functioning of the tool.

### 3. Rotational and Vertical Cartridge alignment

Slightly turn the wheels to align the cartridges as required.

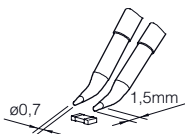

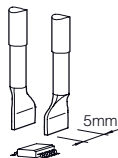

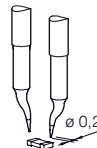

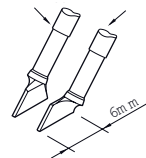

The tail wheel guarantees that the cartridges are equally aligned with vertical symmetry.

- ⓘ Once the alignment has been made, do not forget to fix the cartridges by tightening the fixing knobs. A single turn of the knob is required to get them fixed.  
Also make sure that the cartridges are in good condition so that the tweezers work properly.

### Compatible cartridges

The **AM120-A** Adjustable Micro Tweezers works with **C120** cartridge range.

Find the model that best suits your soldering needs in [www.jbctools.com](http://www.jbctools.com)
