

Hanging Scales PCE-CS 3000N

PCE-CS 3000N Hanging Scales

3 Ton, 3000 kg, 6613 lb weighing capacity / Displays measurement values in kilograms (kg) or pounds (lbs) / Includes hook, shackle and remote control

PCE-CS 3000N are digital, rechargeable battery-powered, heavy-duty Hanging Scales that display measurement values in kilograms (kg) or pounds (lbs). The scales are delivered factory calibrated and include a hook, shackle and remote control. For an additional fee, the scales can be calibrated according to ISO standards.

Designed for indoor industrial use, these robust hanging crane scales are backed by a two-year warranty against manufacturer defects.

- Displays measurement values in kilograms (kg) or pounds (lbs)
- Comes factory calibrated (see accessories for optional ISO calibration)
- Includes hook, shackle and remote control
- Features zero, tare, hold, sum, power-saving automatic shutdown and timed backlighting functions
