DIN Rail Mount Bracket for Arduino Mega

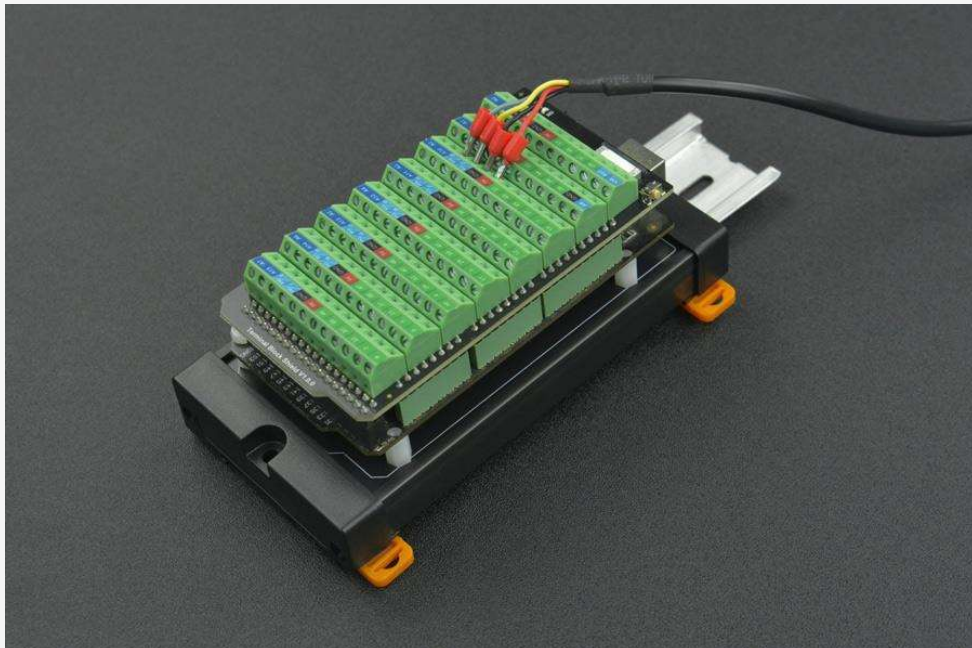

SKU: DFR0191-R

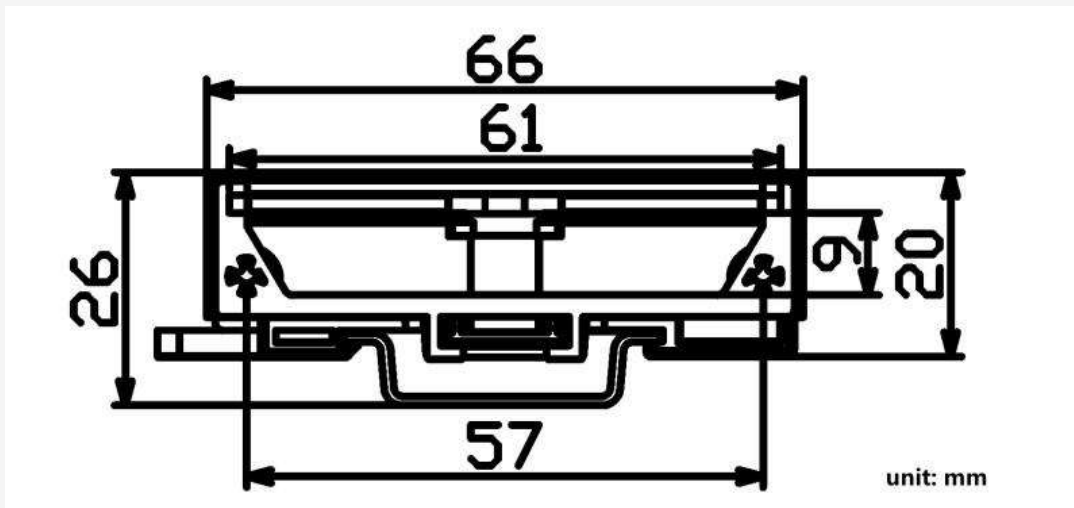

INTRODUCTION

This DIN Rail Mount Bracket provides quick and easy mounting for Arduino, which allows you to conveniently build up your Arduino-related projects.

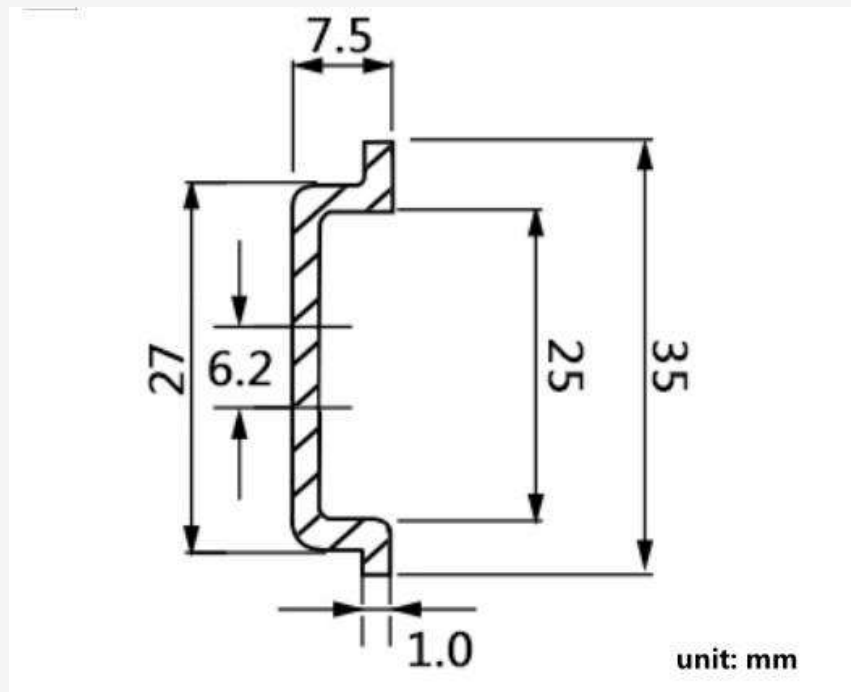

Made of high-quality PVC material, it is durable and fireproof, and well suitable for the boards like Mega2560 and Mega1280.

Application

Dimension of Rail Mount Bracket

Dimension of Rail Mount Adapter

FEATURES

- Durable
- Fireproof

APPLICATIONS

- Arduino-related projects

SPECIFICATION

- PVC material

SHIPPING LIST

- DIN Rail Mount Bracket for Arduino Mega x1
- Mega DIN Rail Mount Adapter x1
- M3*5 Round Head Phillips Nylon Screw x20
- M3*8 Double-pass Nylon Column x10
