## **SIEMENS**

Data sheet US2:14DUA82BL

Non-reversing motor starter Size 1 Three phase full voltage Solid-state overload relay OLRelay amp range 0.25-1A 240VAC 50HZ / 277VAC 60HZ coil Combination type Indoor general purpose use

| product brand name  | Class 14                                 |  |
|---|--|--|
| design of the product   | Full-voltage non-reversing motor starter |  |
| special product feature   | ESP200 overload relay                    |  |
| General technical data  |  |  |
| weight [lb]   | 20 lb                                    |  |
| Height x Width x Depth [in]   | 20 × 12 × 8 in                           |  |
| touch protection against electrical shock                               | (NA for enclosed products)               |  |
| installation altitude [ft] at height above sea level maximum            | 6560 ft                                  |  |
| ambient temperature [°F]  |  |  |
| during storage  | -22 +149 °F                              |  |
| during operation  | -4 +104 °F                               |  |
| ambient temperature   |  |  |
| during storage  | -30 +65 °C                               |  |
| during operation  | -20 +40 °C                               |  |
| country of origin   | USA                                      |  |
| Horsepower ratings  |  |  |
| yielded mechanical performance [hp] for 3-phase AC motor                |  |  |
| • at 200/208 V rated value  | 0.17 hp                                  |  |
| • at 220/230 V rated value  | 0.17 hp                                  |  |
| • at 460/480 V rated value  | 0.33 hp                                  |  |
| • at 575/600 V rated value  | 0.5 hp                                   |  |
| Contactor   |  |  |
| size of contactor   | NEMA controller size 1                   |  |
| number of NO contacts for main contacts                                 | 3  |  |
| operating voltage for main current circuit at AC at 60 Hz maximum       | 600 V                                    |  |
| operational current at AC at 600 V rated value                          | 27 A                                     |  |
| mechanical service life (operating cycles) of the main contacts typical | 10000000                                 |  |
| Auxiliary contact   |  |  |
| number of NC contacts at contactor for auxiliary contacts               | 0  |  |
| number of NO contacts at contactor for auxiliary contacts               | 1  |  |
| number of total auxiliary contacts maximum                              | 8  |  |
| contact rating of auxiliary contacts of contactor according to UL       | 10A@600VAC (A600), 5A@600VDC (P600)      |  |
| Coil  |  |  |
| type of voltage of the control supply voltage                           | AC                                       |  |
