Base for NPT 1/2 conduit assembly

Product description

This connection element is intended to be part of a modular signal tower and is used to electrically connect the tower. According to your requirements, a signal tower may comprise any combination of up to five signal elements. You may use up to five optical signal elements or up to four optical and one audible signal element. Only use an audible signal element as the top element. A bayonet locking system establishes the mechanical and electrical connection between the elements. Please note that PSD-S 50 signal towers (50 mm diameter) are not mechanically compatible with PSD-S signal towers (70 mm diameter).

Your advantages

- Connecting element for installing on a mounting surface (floor), junction box or bracket (see Accessories)
- · Push-in connection technology
- Degree of protection: IP65, when mounted

Commercial data

| Item number | 1018850 |
|--------------------------------------|---------------|
| Packing unit | 1 pc |
| Minimum order quantity | 1 pc |
| Sales key | DR07 |
| Product key | DRL116 |
| GTIN | 4055626504292 |
| Weight per piece (including packing) | 83 g |
| Weight per piece (excluding packing) | 83 g |
| Customs tariff number | 85319000 |
| Country of origin | CZ |
