

DREMEL®

7.2 V Automotive Rotary Tool Kit

Model # 7700-AT

Product Specifications

Working on your car, truck, motorcycle or RV requires a rotary tool that's versatile and precise. Ready to go on a minute's notice, the Dremel automotive kit features a two-speed cordless tool perfect for a variety of do-it-yourself jobs on your vehicle's interior, body, or under the hood. Complete with accessories to tackle projects like buffing scratches, cleaning battery corrosion, or cutting a rusted clamp, this kit is a must-have for any auto owner or enthusiast.

- Compact and lightweight for easy handling
- Removable housing cap for added versatility with screw-on attachments (not included)
- Two speeds 10,000 and 22,000 RPM to match the proper speed required
- Two-year warranty
