

#### General ordering data

|                  |  |
|------------------|--|
| Order No.        | 0522660081   |
| Part designation | DEK 5 GW 81  |
| Version          | Connector markers, L x W: 5 x 5 mm, Polyamide, white |
| EAN              | 4008190021658  |
| Qty.             | 500 pc(s).   |

#### Markings

|  |                   |
|--|-------------------|
| Cadmium  | no                |
| Can be labelled with thermal transfer printers | No                |
| Can be printed with plotter                    | No                |
| Can be written with dot-matrix printer         | No                |
| Can be written with laser printer              | No                |
| Colour of printing                             | black             |
| Function                                       | Connector markers |
| Halogen  | no                |
| Length   | 5 mm              |
| Material                                       | Polyamide         |
| Material colour                                | white             |
| Material colour according to resistance code   | 9                 |
| Max. temperature, continuous                   | 100 °C            |
| Min. temperature, continuous                   | -40 °C            |
| Orientation of print                           | horizontal        |
| Pin can be written (STI)                       | No                |
| Pitch  | 5 mm              |
| PrintJet                                       | No                |
| Printed characters                             | Numbers           |
| Printing method                                | MC Laser          |
| Silicone                                       | no                |
| Speed marking laser                            | No                |
| Type of printing                               | Standard          |
| UL 94 flammability class                       | V2                |
| Width  | 5 mm              |

#### Classifications

|            |             |
