

INL2DE

DEPENDABLE

- Lasts 32 hours between battery changes
- Lifetime pushbutton switch

RUGGED

- Survives a 1-meter drop
- Chemical resistant polypropylene body
- Virtually unbreakable LEDs
- Shatterproof lens

BRIGHT

- Four white Nichia LEDs provide 35 lumens of light
- Uniform beam profile

WATERPROOF

- Meets IECEx IPX7 requirements
- Submerge in 1 meter of water for 30 minutes

Rugged and dependable, the Energizer Industrial LED Project Light is a great addition to any toolbox. Count on it wherever you need bright, consistent light – even in wet conditions. It features a textured non-slip grip and is waterproof. In addition, the batteries will last for 32 hours of continuous use before you need to replace them, keeping your cost of ownership low. The Energizer Industrial LED Project Light is an excellent on-the-job lighting choice.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

Designation:	Energizer Industrial LED Project Light
Model:	INL2DE
Color:	Yellow and Black
Power Source:	Two "D"
ANSI / NEDA:	Series 13
Lamp:	4 White LEDs
Lamp Life (hr):	Lifetime
Lamp Output (lumens):	35
Beam Distance (m):	35
Peak Beam Intensity (cd):	306
Run Time (h:mm):	32
Typical Weight:	168.3 grams without batteries
Dimensions (mm):	65 x 205

Performance:

Tested according to ANSI / NEMA FL 1 Standards.
