

PE930 RUGGED DUTY TELEPHONE TEST SET

TESTING | TROUBLESHOOTING | ACCURACY

Product Features:

Our basic rugged duty, all-weather test set offers long life at a low cost. Its amplified high impedance monitor is data and digital safe. In addition to a full analog calling capability PE930 contains redial, flash for invoking calling features, polarity test red/green LED's, microphone mute plus adjustable two-tone ringer. Includes professional-grade cord set with angled bed-of-nails spike alligator clips.

FEATURES:

- Waterproof tested to an IEC IP67 rating, these test sets can actually be submersed in water.
- Ten-number speed dial memory (32 digits).
- Last number redial.
- Precise hook flash.
- Microphone mute.
- Audible and visual mode indicators.
- Polarity test in any mode.
- Unique quick-release belt clip.
- Premium cordset with bed-of-nails and piercing pin clips.
- Three year warranty.
