Item description

Mounting accessories WINSTA® MIDI

Realize the electrical installation easily and quickly: The mounting accessories from the WINSTA® MIDI product line is the solution for error-free electrical installation. You can rely on the quality of WINSTA® components from WAGO for your electrical installation accessories too. The WINSTA® MIDI Pluggable Connection System with Push-in CAGE CLAMP® spring pressure connection technology facilitates exemplary electrification. Due to the integrated test slot, connections can be checked even when they are plugged in. This saves time, labor, and money.

Lower costs through fast commissioning and elimination of service expenses – solutions from WINSTA® MIDI

WINSTA® is the pluggable connection system that is ideally tailored to the strict requirements of electrical installation. It allows error-free installation of cables and components, quickly and reliably. Now you can also lower installation expenses without compromising quality and safety: with protection against mismatching eliminates the need for servicing and prevents unnecessary downtime.

-
- pre-assembled versions
- convenient installation and commissioning

Data

Material Data

Note (material data)

[Information on material specifications can be found here](#)

Color	black
Insulation material	Polyamide (PA66)
Flammability class per UL94	V0
Weight	0.5 g

Environmental requirements

Processing temperature	-5 ... +40 °C
Continuous operating temperature	-35 ... +85 °C
Note on continuous operating temperature	Insulating parts for temperatures ≤ 105 °C

Subject to changes. Please also observe the further product documentation!
