

# INLINE MAXI® BLADE STYLE FUSE HOLDER

For MAXI® Style Blade Fuses

## Description

Supplied with two 5" leads - 6 gauge wire for up to 60A MAXI®/FK3 Fuse applications, this In-line Fuse Holder also provides a protective cover for harsh under-the-hood environments. Mounting hole also permits easy bulkhead installation.

## Features and Benefits

- Two 5" UL3288 wire leads for easy in-line installation
- Center body hole for bulkhead mounting
- Attached cover secures and protects installed fuse from splashes and debris
- 80°C max operating temperature
