## **SIEMENS**

## **Data sheet**

Illuminated mushroom pushbutton, 22 mm, round, plastic, green, 40mm, momentary contact type, with laser labeling, lower case

| product brand name                                 | SIRIUS ACT                                      |  |
|--|---|--|
| product designation                                | Mushroom pushbuttons                            |  |
| design of the product                              | Actuating/signaling element                     |  |
| product type designation                           | 3SU1  |  |
| product line                                       | Plastic, black, 22 mm                           |  |
| Enclosure  |   |  |
| number of command points                           | 1   |  |
| Actuator   |   |  |
| design of the actuating element                    | illuminated                                     |  |
| principle of operation of the actuating element    | momentary contact type                          |  |
| product extension optional light source            | Yes   |  |
| color of the actuating element                     | green   |  |
| material of the actuating element                  | plastic   |  |
| shape of the actuating element                     | round   |  |
| outer diameter of the actuating element            | 40 mm   |  |
| marking of the actuating element                   | Customized labeling, text in lower case letters |  |
| number of switching positions                      | 2   |  |
| Front ring   |   |  |
| product component front ring                       | Yes   |  |
| design of the front ring                           | Standard  |  |
| material of the front ring                         | plastic   |  |
| color of the front ring                            | black   |  |
| General technical data                             |   |  |
