

FHS-SH support bracket

FHS-SH on UR5

PRODUCT INFORMATION

The FHS-SH fixes the proven SH-P M25-M32 system holder without tools and without much effort to nearly any small robots and cobots.

For smaller cable packages and low to medium travel speed, this is the way to provide secure hold and maximum flexibility for the applications. The respective protective conduits can be installed fixed, sliding in

axial direction or with strain relief by using additional system components in M25 or M32 sizes.

Optional accessories:

- KEG/ZL - strain relief with cable ties
- KEG/K - strain relief with cable star
- KMG/G - sliding channel guide
- KMG/F - axial channel guide

SPECIFICATIONS

	Mod. polyamide Mod. Polypropylene Thermoplastic elastomer

Type	Order No.	Colour	Length of Velcro strip mm	Pack qty.
FHS-SH 350	83693423	Black / Red	350.00	1
