FrontCom® Vario integrates multiple functions in only one single frame. The system is easy to install and you can select from a wide range of data, signal and power modules. In addition to being extremely compact, FrontCom® Vario offers a number of unique product features that will make your project planning and work activities secure, fast and future-proof. Furthermore, the FrontCom® Vario system has an attractive housing design that, by the way, offers highest impact-resistance and fully meets the requirements of IP 65 protection class.

General ordering data

Version	FrontCom, HDMI coupling, Signal insert HDMI, Socket / socket
Order No.	2003390000
Type	IE-FCI-HDMI-FF
GTIN (EAN)	4050118387414
Qty.	1 pc(s).
