PTS Pallet Truck Scale

Designed for commercial and industrial use, Adam Equipment's PTS pallet truck scale offers the durability and convenience needed in commercial and industrial settings. PTS facilitates the transport of items from one place to another in warehouses, shipping departments or on production floors. This scale is equipped with steel pallet forks, non-marring polyurethane wheels, and a zero-radius pivoting handle. The indicator is IP66 rated for protection against water and dust. With a bright LCD that is easily visible in different lighting levels, the PTS offers a wide range of features and functions to provide fast, accurate results.

Expedite warehouse operations and reduce transportation overcharges with the PTS
