# HDMI Flat Cable - 1 foot / 30cm long

PRODUCT ID: 2197

- **Description**

  Connect two HDMI devices together and save space with this basic flat HDMI 1.4 cable. It has nice molded grips for easy installation, and is 1 foot long (~30 cm).

  This cable is absolutely **perfect** for an LCD Raspberry Pi project. The cable is so thin and flexible that you won't have any loose dangling HDMI cables getting in the way, and you can even fit your Pi behind the screen.
