

Changeover operating mechanism for contactors 3RT107, 3RT147, AC (50...60 Hz) / DC operation, 96 ... 127 V Operating mechanism: electronic with PLC input 24 V DC Screw terminal

| General technical data                        |             |
|---|-------------|
| product brand name                            | SIRIUS      |
| product designation                           | Magnet coil |
| Control circuit                               |             |
| type of voltage of the control supply voltage | AC/DC       |
| control supply voltage                        |             |
| • 2 at AC                                     |             |
| — at 50 Hz rated value                        | 127 V       |
| — at 60 Hz rated value                        | 127 V       |
| control supply voltage                        |             |
| • 2 at DC rated value                         | 127 V       |
