

SRA Dispensing Adapter Assemblies

Our dispensing adapter assemblies have 3 feet of clear tubing and fit on all luer lock syringes. The adapter head comes in 3 sizes and is made of polypropylene. It also features a filter and shut-off to prevent backflow into the dispenser which can cause serious damage.

Specifications

Part Number	Size	Tube Length	ID (in)	OD (in)
ADAPH5PC	5 CC	3 Feet	0.125	0.25
