

# TECHNICAL DATA SHEET

Part#: AA-SA-PI

Tweezers - 2 Star Straight Medium Point - Anti-Mag. SS

*This straight medium point 5" general purpose tweezer is made of AISI 303/304 anti-magnetic stainless steel which prevents oxidation.*

- Precision Level                   ★★
- Material                            Anti-Mag. SS (316L)
- Surface Resistivity               Conductive
- Shape                               Straight
- Group                               Conventional Style Tweezers
- Weight (OZ)                       1
- Tip Size (CTM)                   N/A
- Tip Angle                          Straight
- Tip Length
- Body Width                        0.443" (11mm)
- Body Height One Leg           .06" (1.5mm)
- OAL                                 5" (125mm)
- Country of Origin                Italy
- UPC                                 662847000065
- Schedule B                        8203.20.20.00
- Harmonization Code            8203.20.20
- ECCN                                EAR99
- UNSPSC Code                    27112105
