DisplayPort 1.4 Cable With Latch VESA Certified
M05-14DPV-6

VESA Certified DisplayPort 1.4 Cable With Latch

- Compliant with DisplayPort 1.4 specification.
- Support resolutions up to 8K@60Hz and 4K@120Hz with High Dynamic Range (HDR) deep color.
- Support HBR3 bandwidths of 32.4Gbps.
- Backward compatible with DisplayPort 1.3 and 1.2
- Connector with latch to secure cable when plugged in.
- Connect a DisplayPort (DP, DP++, DisplayPort++) equipped computer to an 8K TV, monitor or projector with DisplayPort input.
- Extend audio transport up to 32 channels and 1536kHz sample rate.
- Feature Display Stream Compression 1.2 (DSC) technique which performs up to 3:1 compression ratio.
- Gold-plated connector provides superior transmission, high reliability and durability.

Specifications:
Connector 1: DisplayPort 1.4 Male.
Connector 2: DisplayPort 1.4 Male.
Wire Gauge: 32 AWG.
Cable Lengths: 3,6,10,15ft.
Color: Black.
