

## SuperPort 2

Travel Friendly 2-Port Laptop Charger

### | Super Fast Charging for Laptops

SuperPort 2 features 45W Power Delivery, which can fast charge your latest USB-C laptops and charge your MacBook and MacBook Air at full speed. Thanks to the 57W total output (45W USB-C Power Delivery and 12W Zen+ Adaptive Charging), SuperPort 2 can charge laptops and smart phones simultaneously at high speed without slowing both down.

### | Ready for Travel

SuperPort 2 is the best companion for travelling. It is 20% smaller than Apple 61W charger. Taking much less room, it turns the burden into convenience. Its compact and stylish design with a US foldable plug and UK, EU adapter plugs enables you to travel anywhere, anytime.

### | Fast Charge iPhone X up to 50% within 30 mins

With 45W Power Delivery, SuperPort 2 can charge smart phones at full speed. With a USB-C to lightning cable, SuperPort 2 can fast charge an iPhone X up to 50% battery within 30 minutes.

### | Universal Compatibility, Compatible with Latest Devices

One small charger for almost all devices. It is compatible with latest USB-C devices including MacBook, MacBook Pro, iPhone X, Galaxy S9, S9+, iPad Pro, Nintendo Switch and more.

### | Superior Safety Guarantee

SuperPort 2 is equipped with a multifaceted protection system, reducing the risk of over-power, overheating and short-circuit to keep you and your devices safe. The classic ridged design also enhances its durability. And we also provide 2-year warranty for Zendure products. No safety concerns anymore.
