

## LCRLHP2 - Replacement LCR Hook Probes

Suitable for:	LCR40 and LCR45.
Probe body length:	47mm (1.9")
Connector type:	2mm banana.

### LCRLHP2 - Replacement LCR Hook Probes Information:

Replacement gold plated probes for the Atlas LCR (models LCR40 and LCR45). Complete with gold plated 2mm sockets.

Each probe body measures 47mm in length.

Since 2010, the Atlas LCR (models LCR40 and LCR45) have been (and still are) supplied with these probes as standard.

Please note that these are not compatible with 0.63mm square pin socket connectors.
