Item description

Mounting accessories *WINSTA*® MINI 3-pole

Realize the energy supply with ease: The mounting accessories from the *WINSTA*® MINI product line is the product of your choice for error-free electrical installation. You can rely on the quality of *WINSTA*® components from WAGO for your electrical installation accessories too. Due to its particularly minimal dimensions, our *WINSTA*® MINI Pluggable Connection System with Push-in CAGE CLAMP® spring pressure connection technology is very suitable in very restricted spaces, i.e., for connections when very little room is available.

Push-in CAGE CLAMP® spring pressure connection technology – pluggable installation instead of laborious screw connections!

The *WINSTA*® Pluggable Connection System is ideally tailored to the strict requirements of building installation. It makes electrical installation pluggable, and thus faster, more reliable, and error-free. Use of this pre-assembled system decreases time spent on assembly and installation errors at the construction site. Take advantage of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with with protection against mismatching from WAGO.

-
- consistent IP40 protection
- quick replacement of defective units during ongoing operation
