

USB 3.0 SuperSpeed Extension Cable (A M/F), Blue, 16 ft. (4.88 m)

MODEL NUMBER: U324-016

Extension cord connects two devices with USB-A connectors or extends your existing USB cable by 16 feet.

Features

16-Foot Extension Cable Connects Computers, Printers, Modems and Other USB Equipment This USB 3.0 SuperSpeed Type-A Extension Cable (M/F) attaches to your current USB 3.0 cable to extend it by 16-ft. (4.88 m) It connects your computer, laptop or other compatible USB 3.0 device, such as a Chromebook or Surface Pro tablet, to a USB-A keyboard, printer, portable hard drive, patch panel or other peripheral. The 16-ft. (4.88 m) length allows you great flexibility in placing equipment with respect to the power outlet.

Transfers Data at SuperSpeed Transfer Rates up to 5 Gbps The U324-016 supports USB 3.0 speeds up to 5 Gbps—10 times the speed of USB 2.0—and better power efficiency with no device polling and lower active and idle power requirements. The cable's bi-directional data interface allows data to flow both directions simultaneously, increasing theoretical bandwidth by 10 times. Sync-N-Go technology allows the cable to quickly detect and sync the connected devices. The cable is backward compatible with previous USB generations, allowing you to use it with legacy devices.

Highlights

- Recommended for connecting computers, hard drives and other USB-A devices
- Supports USB 3.0 SuperSpeed data transfer rates up to 5 Gbps—10x faster than USB 2.0
- Bi-directional data interface allows data to flow both directions simultaneously
- 16-ft. (4.88 m) length allows great flexibility in placing devices in relationship to AC outlet
- Ideal replacement for worn-out or missing 16-ft. (4.88 m) extension cord

Applications

- Connect devices like computers, servers and external hard drives in your data center, workspace or home theater
- Extend an existing USB connection up to 16-ft. (4.88 m) to more easily place a device
- Provide a high-quality replacement for a worn-out or missing power cord

System Requirements

- Devices and cable with USB-A connectors (USB 3.0 capability required to reach USB 3.0 speeds)

Package Includes

- U324-016 USB 3.0 SuperSpeed Extension Cable, A to A, M/F, Blue, 16-ft. (4.88 m)
