

Adafruit Circuit Playground Lanyard

PRODUCT ID: 3987

We've got our Circuit Playground friends on lunchboxes, posters, puzzle, enamel pins, PCB coasters, we can't stop accessorizing with this maker-friendly motley crew friendly electronic pals.

Peep this super-special character lanyard designed by artist Bruce Yan. We dig the vibrant colors and handy double-hooks (perfect for toting around your HalloWing M0 Express!) It feels great, and very durable, so you can show it off at your next event and take your #BadgeLife to the next level.

Features Billie the Blue LED, Minerva the Owl, Gus the Green LED, Sparky the Blue Smoke Monster, Mho the Resistor, Adabot, Ruby the Red LED, Blinka the Circuit Python, and Cappy the Capacitor. Double-sided print on 2cm wide webbing.
