

Laser Printer Cleaning Paper Laser Printer Cleaning Kit

Laser Printer Cleaning Paper

Staticide® Laser Printer Cleaning Paper

provides a quick and easy method for removing paper dust, dirt and toner deposits from inaccessible areas of your laser printer. Use Staticide Laser Printer Cleaning Paper after extensive copy output and after each toner cartridge replacement. Proper usage will result in clearer, sharper images and a cleaner printer.

Staticide Laser Printer Cleaning Paper is available in 12 and 50 count packages.

Laser Printer Cleaning Kit

Staticide Laser Printer Cleaning Kit

provides you with all the cleaning elements necessary to prolong the life of your laser printer. Each kit contains (12) cartridge cleaning papers, (1) 2-oz. bottle of cleaning solution, (20) lint free swabs, (1) lint free anti-static cloth, and (12) ink remover hand wipes.

Routine maintenance of your laser printer will result in high quality documents, reduced waste and will reduce the risk of experiencing serious and costly long-term printer problems.
