## **CONTEMPRA - SERIES**

## ASSEMBLY INSTRUCTIONS FOR 1/4 TURN SIDE PANEL

BUL10127 REV. A

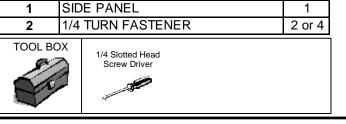

PAGE 1 OF 1

QTY

A) Note: Side par	nels (item 1) can	be mounted	on both sid	des of rack
or to close off	ends of ganged e	enclosures.		

- B) Turn all ¼ fasteners (item 2) so that the cams are in the open position pointing up.
- C) Align holes in bottom of panel with pins on bottom of frame and slip onto pins.
- D) Push top of side panel into position flush with panel opening on rack.
- E) Secure by turning 1/4 turn fasteners into closed position with cams latched behind rack frame.
