

## **TECHNICAL DATA SHEET**

Part#: 500-89B-US

Pliers - Cut & Form Dog Leg - .030" to 1st Bend Designed to increase or decrease the center dimension on radial lead components

The 500-89B-US 5.5" dog leg lead forming plier/cutter is designed to increase or decrease the center dimension on radial lead components. The added shear cutter saves component prep time. It is recommended for .025" or smaller leads and wires. It features an ergonomically molded antimicrobial Anti-Static grip (10<sup>10</sup> ohms/sq surface resistivity) with dual leaf springs.
