

# Particle Maker Kit

SKU 110060705

## Description

If you're new to the world of hardware, don't panic—the Maker Kit has everything you need to level up from hacker zero to hardware hero. In addition to a shiny new Photon, the Particle Maker Kit includes all the components and accessories you need to start building simple Internet-enabled projects.

The Maker Kit comes with enough jumper wires, LEDs, resistors and more to make sure you can build multiple different types of projects. It also comes with a super-neat project carrying case so you can tidy up your workspace when you're done building.
