

Light Wall Bracket for Small Wire Mesh Cable Trays

MODEL NUMBER: **SRWBWALLBRKTLD**

Securely attaches sections of wire mesh cable tray along the wall of your data center, network closet or industrial space.

Features

High-Resiliency Wall Bracket Helps You Create Custom Cable Management Schemes

The SmartRack® SRWBWALLBRKTLD is a black powder-coated metal bracket for easy installation with your wire mesh cable tray. This light-duty horn bracket allows you to mount sections of cable tray along the wall of your data center, network closet or industrial space to complete your cable management application. It mounts to the wall with user-supplied hardware and then easily snaps into the wire mesh. It is compliant with small, lighter-load cable tray sections, such as SRWB6210STR. For best practice, tray support is recommended approximately every five feet.
