

DREMEL®

4000-6/50 High Performance Rotary Tool Kit

Model # 4000-6/50

Product Specifications

The Dremel 4000 variable speed rotary tool offers the highest performance and most versatility of all Dremel rotary tools. The increased strength of its motor plus electronic feedback circuitry enables consistent performance at all speed levels. Dremel 4000 can use all existing Dremel rotary tool accessories and attachments plus high-performance attachments to complete the widest range of projects. A slim, ergonomic body provides a 360-degree grip zone for comfort and control in any grip position.

- High-performance motor for maximum performance at all speeds
- Electronic feedback for consistent speed under load
- Variable speed for greater versatility
- Can be used with all Dremel rotary tool attachments and accessories
