

# TDL Freight Guard | TDL140

*Real-time quality tracking throughout your supply chain*

## PART NO | 0 273 600 043 001

*Transport Data Logger Freight Guard (TDL140), is the solution for bringing transparency into the whole supply chain. To prevent concealed damages or misdirected shipments, internal sensors enable a 24/7 condition monitoring for critical shipments. TDL Freight Guard is your real time tool to track assets, shipments and goods in transit for creating customer trust with reliable information in every transportation mode. Reduce complexity with the Bosch TDL Freight Guard End to End solution and being actively informed about the shipment status.*

### MEASUREMENT PARAMETERS

Shock

Temperature

Location

Light

### APPLICATION ADVANTAGES

- ▶ The easiest way to implement real-time conditions monitoring - Out of the box solution which includes global data plan, backend, mounting bracket and charger
- ▶ Real-time condition monitoring of your shipments and assets
- ▶ Integrated flight mode detection enables application for all transports modes

### DEVICE SPECIFICATION

- |                              |  |
|------------------------------|--|
| ▶ Dimension (L x W x H)      | 168 mm x 38 mm x 40 mm   |
| ▶ Weight                     | 216 g  |
| ▶ Power supply               | rechargeable lithium battery, 5200mAh  |
| ▶ Battery life               | 300 days (1 report every 24 hours, +25°C)<br>90 days (1 report every 6 hours, +25°C)<br>30 days (1 report every 1 hour, +25°C) |
| ▶ Measuring interval         | 1 hour ... 5 days (configurable for temperature)   |
| ▶ Data transmission interval | 1 hour ... 5 days (configurable for temperature)   |
| ▶ Location/Tracking          | GPS, GLONASS, A-GPS, cell location   |
| ▶ Flight mode                | Automatic (except in pressure-resistant packaging)   |
| ▶ Certifications             | CE, RoHS, REACH, FCC, DO-160   |

- ▶ Shock range  $\pm 24$  g per axis
- ▶ Acceleration range three-dimensional (event based)
- ▶ Light detection range On/off (event based)

**BOSCH**  
Invented for life

### OPERATING CONDITIONS

- ▶ Operating temperature range  $-20^{\circ}\text{C} \dots +60^{\circ}\text{C}$
- ▶ Storage temperature range  $-40^{\circ}\text{C} \dots +60^{\circ}\text{C}$

### ACCURACY

- ▶ Temperature  $\pm 1^{\circ}\text{C}$
- ▶ Shock / Acceleration  $\pm 20\%$

### COMMUNICATION

- ▶ Cellular communication Penta Band  
GSM/GPRS/EDGE/UMTS/HSDPA/HSUPA

### USER INTERFACE

- ▶ Backend TDL Cloud - Web application which allows you to manage and monitor your devices
- ▶ Status LED Indication of battery level, device and communication status

### DELIVERY SCOPE

- ▶ Device & built-in battery
- ▶ Data plan for 12 months
- ▶ Mounting bracket
- ▶ AC charger (230V to USB Micro-B)
- ▶ Operating instructions
- ▶ TDL Cloud access
