

Hex Key Set - Metric (Ball End, 9 Pieces)

TOL-14223

Description: This is a set of nine high-quality hex keys from Allen. Each key in this set is equipped with a ball end, allowing an entry angle up to 25° in the screw to work in hard-to-reach areas. These specific keys utilize the metric measurement system. These are the go-to hex keys we prefer to use when metric is involved!

Each hex key is composed of a black oxide-finished, tempered steel alloy and comes in a noninterference, hinged "caddy" to provide easy access. All hex keys are precision-formed to exact dimensional tolerances for precise fit.

Includes:

- 1x 1.5mm Hex Key
- 1x 2mm Hex Key
- 1x 2.5mm Hex Key
- 1x 3mm Hex Key
- 1x 4mm Hex Key
- 1x 5mm Hex Key
- 1x 6mm Hex Key
- 1x 8mm Hex Key
- 1x 10mm Hex Key
- 1x Hex Key Caddy
